We got good results in the AISSE-2024. All they scored good marks. It is only because of the team work, and hard work of the staff, and the whole-hearted support of the management.

We conducted a parents meeting. The principal explained the scholastic and co-scholastic activities that planned to conduct in the school throughout the year. So the parents were well aware of the things beforehand in each academic session.

Though the school was running in an online mode the school conducted as many programs as possible for the students like Arts fest, Drawing competition, Quiz competition, Caption Writing, News reading and etc...

Important days were observed and programs were celebrated in a colourful way. Some days are listed here for your knowledge. Independence Day, Reading week, Basheer Day, Kerala Piravi Day, Childrens' Day, Vigilance Day.....etc

The school has conducted digital fest in the campus for the first time and students prepared websites, PPTs, animated videos, games and also prepared robotic cars.

PTA & SMC meetings are conducted at regular intervals to discuss the matters related with school.

CCA activities including chess, skating, taekwondo, abacus, journalism and public speaking and civil service preparation and tried to give chances for most of the students.

All programs and activities that we held here are not enlisted.
